

It's Time to RELAY!

12:00 noon until midnight

March 19, 2011

Every year, around the lake at Baptist Hospital, teams of friends, families, co-workers, and advocates come together in the fight against cancer. Relay for Life celebrates cancer survivors with great fun, great food, and great music while raising money for the American Cancer Society!!

Deck 52 contributes its time and talent -- from **6PM until 11PM** -- to add to the festivities along with lots of other entertainment. We honor our survivors beginning at 4:00PM. Don't miss the **9:00PM Luminaria Ceremony** with the **St. Andrews Pipe Band**, and the **Silent Auction** tent is a must visit!!!
